

Water Extraction Carpet Cleaner

Low-foaming. For all types of water extraction ("steam") carpet cleaning machines.

ST-No.	New Item #	Case UPC No. Mfg. No. 071206	Each UPC No. Mfg. No. 071206	Case Size	Case Weight	Cases /Pallet	Yield
ST-702	#2308657	008657	N/A	72 x 2 fl. oz. packs	11.5 pounds	75	3.5-5 Gallons
ST-703	#2308664	008664	N/A	36 x 5 fl. oz. packs	13.5 pounds	70	7-10 Gallons

Water Extraction Carpet Cleaner is a low-foaming, powerful concentrate for all types of water extraction ("steam") carpet cleaning machines on all types of carpeting. Heavy, greasy soils are gently emulsified and carried away from the carpet fibers. No rinse is required.

The convenient sizing of the premeasured pack insures the true, no-rinse performance of the water extraction equipment; too much detergent can ruin a carpet job as well as the equipment.

The 2-ounce pack is great for the smaller, self-contained water extraction machines with tank capacities of 3.5 to 5 gallons. The 5-ounce pack is perfect for the larger machines with 5, 10, and more gallons of tank capacity.

For spot cleaning carpets of stubborn stains, add one 2-ounce pack to water in a 30 oz. spray bottle. Pre-spot stain with solution mixture and scrub lightly with soft brush, then vacuum up stain with water extraction, steam cleaning machine, or wet/dry vacuum.

Directions

Follow the operating instructions specific to the steam cleaning or water extraction equipment.

For normal soil:

Use 2 ounces of Water Extraction Carpet Cleaner per 4 gallons of water, or 5 ounces per 8-10 gallons of water.

For heavy soil:

Use 2 ounces of Water Extraction Carpet Cleaner per 2 gallons of water, or 5 ounces per 5 gallons of water.

NOTE: Test on an inconspicuous area of the carpet for colorfastness.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

Chemical Characteristics

Appearance	Clear, Blue Liquid
Biodegradable	Yes
CFC + PFC	Yes
Corrosive Category (Concentrate).....	No
Corrosive Category (Use Dilution).....	No
DEA-Free	Yes
Scent.....	Glycol Ether Scent
Non-Acid	Yes
Non-Butyl	Yes
Non-Flammable	Yes
NPE-Free	Yes
pH (Concentrate).....	9.0
pH (Use Dilution).....	7.3
Phosphate-Free	No
VOC (Concentrate)	11%

Ingredients

The primary ingredients in Water Extraction Carpet Cleaner are anionic detergents, grease cutters, glycol ether, and phosphate.
